Introduction to

CHOROGUSAN FOR CHILDREN

ChorogUsan
for children | CAMBODIA

Who We Are & What We Stand For

ChorogUsan
for children

'Chorog' means green in Korean, symbolizing vitality,
while **'Usan'** means umbrella, representing protection and dreams.

The umbrella shaft represents a strong pillar of support for children.

Together, the **ChorogUsan** logo reflects our identity, striving to ensure that all children can be happy under the green umbrella we provide.

VISION
Making a world where children are happy

MISSION
Organization for children's happiness

SLOGAN
Always with children

CHILD FIRST
We consider the best interest of the child in every aspect of our programs.

INTEGRITY
We establish trust by being transparent and accountable with integrity.

EXPERTISE
We declare ourselves as professional advocates for children and their rights.

CAN-DO SPIRIT
We take the lead in discovering and resolving challenges in our society.

Vision 2030

By 2030, a world where every child enjoys opportunities to thrive and fulfill their dreams.

Impact on Children
Every child grows up healthy and empowered, no matter where they are born.

Impact on the World
The world children live in becomes more child-centered.

5 Key Issues	Changes for Children	Impact on the World
Care & Growth	Children grow up in a caring environment Children are born safely and grow up healthy , support by strong protection system.	Communities and environments surrounding children become child-friendly.
Safety from Violence	Children are protected in every environment Whether online or offline, at home, in school, and in their communities, they are safe.	
Education & Development	Children learn freely and pursue their dreams They pursue what they want to learn without financial barriers and realize their full potential.	Children's voices are heard, valued and fully respected.
Health & Well-being	Children are physically and mentally healthy With physical, mental, and social-emotional well-being, they live and express themselves freely.	
Self-Reliance & Independence	Children gain ownership of their lives They achieve economic, emotional, and social independence, shaping their own lives with confidence.	More people engage in addressing issues that affect children.

A future shaped by ChorogUsan for children
A world where every child enjoys opportunities to thrive and fulfill their dreams

Our Journey

1948

ChorogUsan for children was established in 1948 during the Korean War, as the Korean branch of the Christian Children's Fund (CCF).

1986

By 1986, we had achieved self-reliance, transitioning from an aid recipient to a donor organization.
We have since become a leader in child protection in Korea, expending our impact globally.

ChorogUsan for children in Cambodia

1996

Our connection with Cambodia began through a grassroots movement of Korean citizens donating clothing and funds to support children affected by the Cambodian Civil-war.

1996-2023

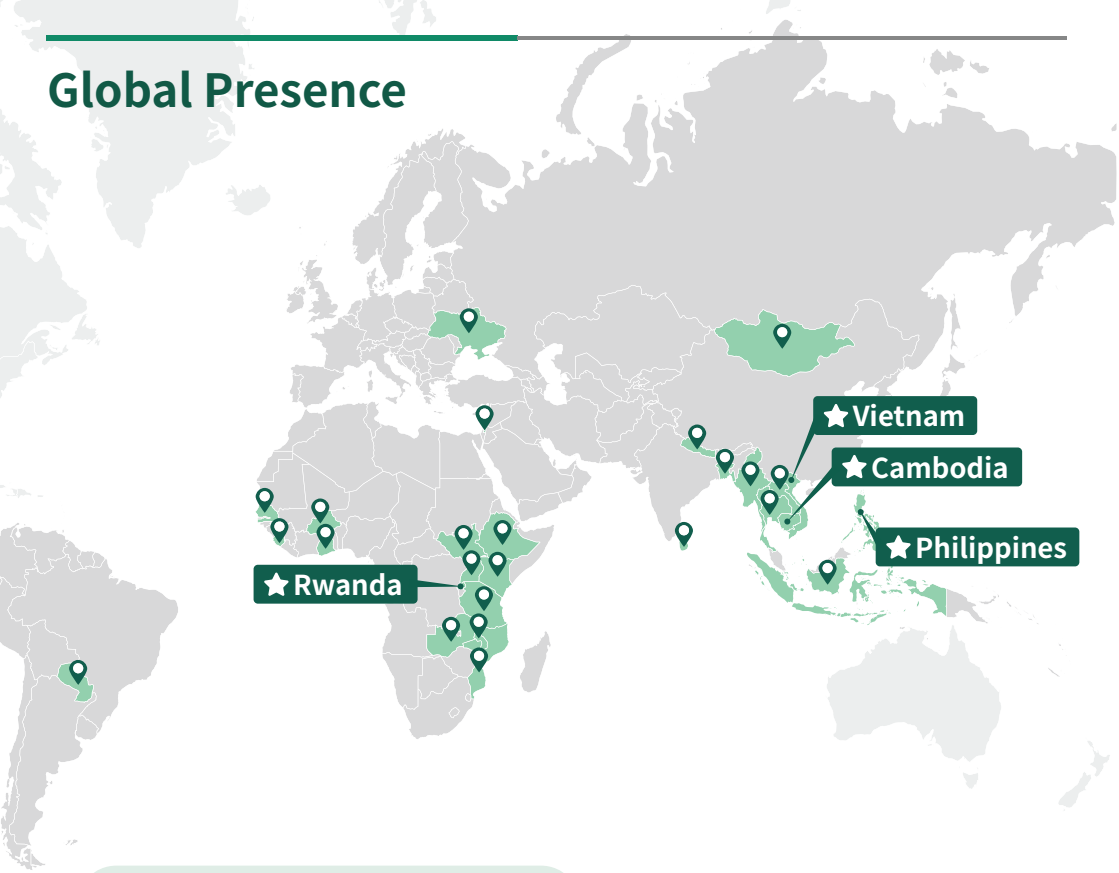

We implemented various development projects through local partner organizations.

2024

The ChorogUsan Cambodia Country Office was officially established to lead and manage direct program implementation.

Global Presence

We operate 39 domestic establishments in Korea

- **Regional Headquarters:** 18 Locations
- **Social Welfare Centers:** 7 Locations
- **Family Foster Care Centers:** 6 Locations
- **Specialized Child Protection Agencies:** 4 Locations
